## Kiwibank – How to download Bank Statements into OFX format on an iPhone using Desktop Mobile Banking

- Step 1 Open Safari and go to KiwiBanks Website login using your Desktop internet banking details
- **Step 2** Click on the account your wages are paid into

<u>Please note</u>: You will need to repeat these steps to download bank statements if you have more spending/payments in different accounts.

Step 5 - Click export, then a screen like this will appear. Click download

**Step 6** - You will be presented with a screen that looks like this. Click the button on the top right-hand corner

**Step 7** – Click Mail (if you don't use Mail, slide across to attach to apps such as Gmail, Outlook etc). This will **attach** the file to an email. You can enter the recipient or "To" as <u>loans@savemybacon.co.nz</u>. Click send, and this will send us a copy of your bank statements in the format required.

If you are having any issues completing this, **please call us** on 0800 272 836 option 1 and one of our Online Lending Specialists will help talk you through it over the phone!
